

Sonia Kovalevsky, 1850-1891

SONIA KOVALEVSKY DAY

SATURDAY,
MARCH 30, 2019
9AM - 2PM

Sonia Kovalevsky Day (SK Day) is a free, day-long mathematics workshop for middle school and high school girls. The workshop features talks and activities aimed at giving students hands on experience with different mathematical fields and careers. Students will also have the chance to meet professional women who do math for a living.

Refreshments and lunch are provided!

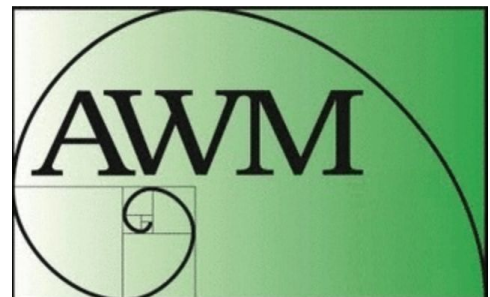

Celebrating Women in Mathematics

Who is involved?

SK Day is run by the University of Arizona's Chapter of the Association for Women in Mathematics and the University of Arizona Department of Mathematics.

Want to participate?

If you are interested in having your group participate, please contact awmofficers@math.arizona.edu.
